Which Place is Being Described?

Read each sentence below. Using only the choices listed in the box, fill in the sentences below with the correct place.

Lincoln Memorial	Federal Reserve	White House
Department of the Treasury	Independence Hall	Capitol Building

- The President of the United States lives and works in a building called the White House.
- Independence Hall is where the founders signed the Declaration of Independence and the U.S. Constitution.
- The country's finances are managed at the Department of the Treasury.
- In the Capitol Building, the Senate uses one side of the building and the House uses the other side.
- The Lincoln Memorial looks like a Greek temple and has a large statue inside.
- The central bank of the United States is the Federal Reserve.

Is it True or False?

Circle True or False for each statement below.

TRUE

FALSE

11. The Declaration of Independence was approved on July 4, 1776.

Explanation: True. While independence was declared on July 2nd, the Declaration of Independence was formally approved and sent for printing on July 4, 1776.

TRUE

FALSE

12. Thomas Jefferson wore a top hat to make him appear taller.

Explanation: False. Thomas Jefferson may have worn hats, but *Money Adventure* specifically points out that Abraham Lincoln wore his famous top hat to make him appear taller.

TRUE

FALSE

13. A national seal is a country's official flag.

Explanation: False. A national seal is a picture pressed onto an official document.

TRUE

FALSE

14. The "preamble" is the first part of the Constitution.

Explanation: True. The "preamble" is the opening sentence of the United States Constitution.

TRUE

FALSE

15. The Capitol Building is on the back of the \$20 bill.

Explanation: False. The White House appears on the back of the \$20, not the Capitol Building.
